**Topic:** Social media

**Original Text:**

**Title:** Social media

Social media is a vital thing in our generation now. In my opinion its a blessing thing but like a lot of things it has some negative sides and drawbacks.

with the accese to the social media we can do whatever jump in our minds like communication with fourgn people form all arown the world and any place you could imagin and sharing our cultur and backgrounds, so by doing this so you can lern a new language
