Title: Summar Vacation

My summer break was very normal but I enjoyed it. I went to Tripoli with my friends, It was a time full of relaxation and loads of fun. We stayed at a tremendous and amazing resort that had a pool right near our room.

The food was very delicious, we visited the beach and participated in all water sports and activities. My favourite activity was the surfing ride! On the last day, we visited an ancient island near the shore. It was an incerdible time.
