Topic: Eating at restaurants with your family is a good way to build family ties

Original Text:

Title: the froks in restaurants

if you want maximum happiness, keeps family gatherings away from restaurants.
Especially. if you have a family discuss very problems on table.

one thing will make you tense of any discussion that in that time is your prestige in front people around.

in the most severe situation will be expelled because your father throws the fork on your little- brother and why!!?

because he laughed are on table next you for reasons you should keep your family away from any restaurants in the city and enjoy your mother's cook at home
