**Title:** Clear is always batter

Patte starts receiving gifts while she is at work. She dose'nt know who they are from As week, go by, The gifts getting really strange.

After a flower and recording songes she got a red card with a write on it "I want you".

patte get scarred, so she told her friend Adm. Adam knew her from School. Many years ago. "you should give him a chance" Adam said to patte. She was feeling bad and nervous, but she ripied to the last latter. "what about face to face". She got the responed (Tonight in the garden on the third chair). She was so tensed and not feeling OK, but she disided to go. She went to the garden. She was very suprized. Adam was setting on the chair. She stood in front of him And said "I can't tursh someone laying in my face she left him in a shock. felt so bad and sorry.
