

Time spent in an English-speaking country: X

Age: 20

Semester: 6

Faculty: Human Sciences

Topic: We should devote most of our lives to being happy.

Original Text:

Title:.....

we should devont most our live to be happines I tink first thing should to do is choose
correct tream people to be friend and to do your fovourties things in live and learnt
because from learn can you gitting money
