

**Time spent in an English-speaking country:** X

**Age:** 19

**Semester:** 2

**Faculty:** Human Sciences

**Topic:** An event changed your life

**Original Text:**

**Title:** An event changed your life

Is the day I graduated from high School, traveled to tunisia for tourism and my dream is to become the best English teacher because My ambition to learn more than one language and learning English helps me travel to any country because English is an international language it's spoken by most countries around the world.
