My best memory happend in my hole life when I was live in tunisie, it was when was I at 10, I traveled with my dad to another city by the car its names "Hammamat", its a beautiful city and it has a nice sea. This city always crowded because it's tourist city so you will meet a lot of people from different country, I spend the hole day with my dad, I bought to me an ice cream, choclete, some cold drinks. Also we got a delicious lunch in nice resturent...

At the end of the day we back home and I was very happy because I spent my day with the person I'll love him for my hole live..
