Topic: Some university students want to learn about other subjects. Others believe it is more important to give all their time and attention to studying for a qualification. Discuss this view and give your own opinion

Original Text:

Title: studing additional subjects or studing for or qualification

I am agree with student that qualification in the part of studing and studing more materials or courses in weekend or in free time to improve their knowledge and change the old knowledge in their mind so the will attractive their abilities to take more and more information
