Title: The Original Country

Onece upon time, there were a boy and a dog. There names Jack and Joun. Joun wasn't have a house so, in sunny day and in a park's house of Jack. He began to build a house for him. He started to bring a wood and the material of building. after that he finished the build, and Joun looked like happy, because he has a house now. he feels so happy from Jack and there love is increased to a higher level. So, he began to thank Jack and hug him in own specifc way.
