Topic: Some people feel that the legal age at which people can marry should be at least 21.

To what extent do you agree or disagree?

Original Text:

Title:

Some people thinking that the legal age should be at least from 21. becuose they believe that at speciefic in this age the person can be more suitable to achieve a high level of thinking solution of different diffecults of life. in addition the marriage is very important thing for anyone's life, so he/she should know how to treatment with select the person who will live with, also in the age from 21 and above. it's very important to be able to thinking in all sides of life, and to consists a nice family with right choices to be very happy in this world. So I think, I agree with this.
