**Original Text:**

**Title:** Eating at restaurants with your family

Eating at rstarants with your family is a good way to build family ties. I think that eating together as a family is develops relationships with each other, and also it is a good aportunities to spend more time of the day with your family.

I believe in eating together as a family is being able to communicate with each other. In anothe hand, i think a set with your family make you happy and in a good mood.

in conclusion, the eating at a resturants with family is a good way to strong relationship each other.
