**Original Text:**

**Title:** Importance of family

Family is important thing in our life the person without family like he/she didn't live family is give us power and positive energy to stay and family is a social system which comprises of parents and children. The formation of family is possible with relation of blood, marriage or adoption. A family composition as a bond is often accepted as the strongest unit of a personal life, which shapes his/her character and personality family plays a vital role in determining the success or failure of a person as they act as a person as they act as a support system.
