Faculty: Arts College

Topic: A strong experience/ Your Best Memory

Original Text:

Title:

1. A strange experience:

The experience of walking underground in the mountain in south of Tripoli, special in the yefran city. I walked with my friend into a dark cave for a two hours and finally, we came out in the other side.

2. My best memory:

My best memory when I had a picnic with my friends on the sea from morning to night. It was very nice picnic.
