

**Time spent in an English-speaking country:** None

**Age:** 33

**Semester:** 1

**Faculty:** Arts College

**Topic:** Family

**Original Text:**

**Title:** Family

My family is all my world, I have five children. Three boys and Two girls, I love them and try to protect them, and my father and my mother they are my heaven. Family means safe and love.

Nothing equates family, when our family is ok, we are ok.
