**Original Text:**

**Title:** Importance of family

The family is very important for any persons for the support and felling the love and happiness and All the personse for to persone.

The family is the support, loves and happies and all the familys depended on mother and fathe for make True family – and this person help us them for make any things in the life and senses self. The family give me instructional and inTroduction for make happy life and Take my hand for True way and support me for reach The goals and success.

My father, mother, brothers, families it is all make my love and were the colur of lifes.

The family very important in the life and the life without this personse black life then the family and we talke my husband It's reailty he make the life for me and he work and broken the stone for make me and for my dagther white life.

I will say thank you for evey person in my life and give me support and advices for helps me choice the true way and make, reach all the goLs aims, success.
