**Original Text:**

**Title:** Sports

This beautiful, one of the beast things the more intresteng in live people. and an all persone working and playing in the sport. There are many of sports important and parts to many like this: football and swimming and ruying(?) and basketball and karate and there more this. and this is very good. The much time to work in the sports about 0 – 6 months or years ago. Whin work in the sports moust you not eating ant hous like this hamburga and pizza. you most an eating vigtibal and fruts that is.
