**Topic:** Writing a dairy is the best way to review how happy you are.

**Original Text:**

**Title:**.....

Writing a diary and take a pecture is the best way to review and remember the best moments you feel happy with your family and friends.

furthermore, take a lot of pecture may spoil the beauty of the moments. but sometimes when you read your diarty or watching to the pectures that make you unhappy because you don't have these things or people in your life.
