**Title:** Some people feel that the legal age at which people can marry should be at least 21.

To what extent do you agree or disagree?

I agree with this age.

This is important issue specially for women and they can complete their study and start to work as the men.

and in the last year some society spread the early marry and this made big problem and the society become weak.

in this year 2024 the women has their free to decided what the time they want to marriage also in this age the women and men their mind are complete and they can control about every think in their life.

and in this age every aspect of their life can be clear more than if they are young.
