**Original Text:**

**Title:** Eating at restaurants with your family is a good way to build family ties

I believe that eating together with your family develop excellant family relationships.  
Having set time of the day to spend with your family is very.

Having family time is best way to keep your family together. Conversations with your family give you opportunity to bond plan and learn from one another.

In the conclusion,

Eating at restaurants with your family it help save money.
